I have arranged for _____, a currently certified lifeguard, to provide lifeguard coverage during the entirety of this pending party.

Board Approval: _____

******* Please Note *******

- In an effort to minimize insurance costs, coverage by a certified lifeguard is necessary during parties. Parties held without approved lifeguard coverage and without submission of a completed application are subject to a \$100 fee.
- Parties cancelled less than 24 hours prior to the scheduled start time are subject to a \$15 cancellation fee.

Pool Rules Concerning Pool Parties

1. Definition: Any gathering at the pool of 10 or more individuals which includes at least one non-member.
2. To arrange a party, obtain a party application from the website, complete it and return to the PO Box.
3. Party applications must be approved by the Board and a notice posted **a minimum of 7 days prior to the party date**. This lead-time is needed to alert other members of the pool who may be planning to use the facilities on the same date. The party schedule is allocated on a first-come first-serve basis.
4. Parties are limited to a maximum of 20 people, including the members of the sponsoring family.
5. Parties cannot exceed three (3) hours in length and must conclude by 9:00 PM.
6. Party sponsors are required to hire and pay a currently certified lifeguard to be present for the entire duration of the party. A list of certified guards can be obtained from the Board.
7. Parties can not be scheduled on major holiday weekends (Memorial Day, 4th of July, and Labor Day).
8. Only adult family members can sponsor parties.
9. Party sponsors must clean up after the party, including a washdown of the tables and pool deck.
10. Members can sponsor a maximum of two parties per season.
11. No more than two parties are to be scheduled any one week.
12. All members are permitted to use the pool facilities during any scheduled party.
13. Any changes involving the date, time or other factors regarding a scheduled party must be authorized by the Board. If a sponsoring family decides to cancel an approved party, the sponsors need to notify the lifeguard and the Board, and also remove the party notice from its display at the facility.
14. All pool party guests are expected to depart the CNSC facility at the scheduled end-time for the party.
